Re: Election of the species without traverse

Dear Ms. Ciric:

I am currently in Taiwan, and I didn't receive the official action via fax till two days ago from my family member. I have read through the office action and decided to choose one of the species for examination without traverse. The specie I elect for examination without traverse is figure 7A & 7B. Please exam this specie for granting the patent.

Any claims which examiner feels that is not part of this specie please let me know and only exam the claims which examiner feel is in line with the specie.

I will send the official copy of this letter through International express mail as well as facsimile to Central fax service at 571-273-8300.

Sincerely,

A handwritten signature in black ink, appearing to read "Sean Cheng".
